## NEW TAKES ON A CLASSIC

The dimensions and finishes pushing classic subway tile beyond its traditional format.

SUBWAY TILE

# AXELLE

GLOSSY CERAMIC

3D texture and a glossy finish give Axelle's classic subway format a refreshingly modern look. Glaze pools subtly along the diagonal bar and slightly raised edges, lending it architectural appeal, while minor variations in color and texture enhance each piece. Made in Italy.

# BORN

MATTE PORCELAIN

Shade nuances and a silky matte finish are hallmarks of the Born collection. Each colorway features nine shade variations, creating a visually intriguing pattern at random. Its slightly scaled-up square format offers a modern alternative to subway tile. Made in Spain.

BRICK LOOK

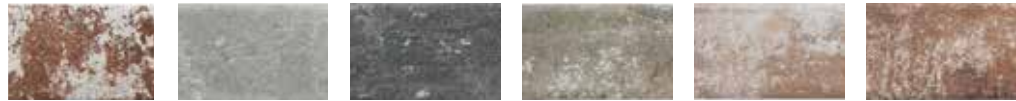

# ENGLISH BRICK

ELONGATED MATTE PORCELAIN SUBWAY TILE

This collection has all the tactile qualities of traditional brick—without the bulk. The elongated subway shape is crafted of durable yet lightweight porcelain, making it resistant to scratches, stains, and chips. Variations in shade and texture enhance the authentic look. Made in Italy.
