## WHAT WE LOVE ABOUT CELESTE

Style and sophistication take the spotlight with the Celeste vanity collection. Creamy white embossed shagreen drawer facings and acrylic toggle-style knobs with brass details add opulence to this freestanding design from James Martin Vanity. The collection features a traditional silhouette, a sun-washed oak base, and a choice of premium vanity tops in a range of neutral colors. This elegant vanity is brimming with storage space and includes thoughtful details, including a convenient tip-out upper drawer and smooth, undermount drawer glides.

Its luxe, textured shagreen surface.

High-quality, solid oak frame.

Art Deco-inspired brass and acrylic knobs.

Available in a choice of premium vanity tops.
