## WHAT WE LOVE ABOUT OLENA

The Olena vanity collection combines modern minimalism with luxe decorative elements. Burl wood drawer facings and acrylic toggle-style knobs with brass details add elegance to this freestanding design from James Martin Vanity. The collection features a crisp white base with a high-gloss finish and a sleek silhouette that adds balance to the raw, organic beauty of burl wood. This striking vanity is practical as well; it includes multiple spacious drawers, including a convenient tip-out drawer, and an open shelf, providing versatile storage.

The striking juxtaposition of materials.

Glam brass and acrylic knobs.

The organic beauty of natural burl wood.

High-quality, beech wood frame.
