## WHAT WE LOVE ABOUT WELLINGTON

Charming and sophisticated, the Wellington collection of vanities is a breath of fresh air. This premium collection of freestanding console sinks features sleekly tapered legs and a convenient towel bar. The Wellington is available in a selection of finishes, all with glossy, white porcelain vanity tops featuring a traditional, molded silhouette. This quietly elegant design from James Martin Vanity is charming enough to earn a place in even the most refined historic home—or to add vintage panache to more modern ones.
