WHAT WE LOVE ABOUT INWOOD

The Inwood collection of farmhouse-inspired vanities strikes the perfect balance of rustic charm and luxe amenities. Barn door-inspired side panels, wooden slat shelves, and a deep apron-front sink give this collection rustic appeal, while its matte black hardware, thoughtful proportions, and a white vanity top add a crisp touch. Deep drawers offer ample space for supplies to be stored out of view while open shelving allows for a stylish display of bathroom essentials.

- Matte black hardware adds contrast.
- Counters pre-drilled for widespread faucets
- Bright white, farmhouse sink
- White composite stone top
