## WHY TILEBAR?

TileBar is pleased to offer a curated selection of James Martin Vanities. This manufacturer's reputation as an industry leader is well-earned. James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

## WHAT WE LOVE ABOUT BOSTON

The James Martin Vanity Boston collection of open-concept vanities and floating sinks feature a distinctive, industrial-inspired stainless-steel frame, making a bold statement in any space. This premium collection is available in a range of sizes and finishes. Choose from floating installation with a glossy, white solid-surface countertop; or freestanding (with or without the countertop). Freestanding units feature a glass, open shelf that allows for a stylish display of bathroom essentials. Floating sinks can be installed to meet ADA-compliant standards.

- Available in a range of sizes
- Solid surface top is nonporous and scratch-resistant
- Makes a bold statement even in small spaces
- Durable, stainless-steel base
