WHAT WE LOVE ABOUT MILO

A distinctive, architecturally inspired design gives the Milo collection of hinged shower screens its bold, contemporary look. Stainless steel hardware, available in a variety of finishes, echoes the frameless screen's clean lines and square corners, for a modern touch. Engineered with convenience in mind, the installation is reversible, allowing the tempered glass to be connected to any wall, depending on your needs.

- A choice of clear or tinted privacy glass
- Reversible installation
- Screen swings open for easy entry
- Made from durable tempered glass
